VALIDATION DECISION

We have completed our validation of your proposal for the **Construction Project Management** program submitted to us on **October 2, 2013**.

Please accept this as our validation of your proposal. As a signal of our validation decision, we have assigned the following Approved Program Sequence (APS) number to your program: **FANS 01300**.

We have submitted the documents received from you to the Colleges Unit, MTCU in keeping with the indication in your proposal that you are planning to seek Ministry funding approval. However, please be advised that you will now need to submit the remaining documentation to the Ministry to complete the approval for funding request. The outstanding documents required for the Ministry's funding approval decision are the Board Attestation form, signed by your college president, and the Program Delivery Information (PDI) form. Please submit these directly to the Ministry.

The Ministry will reply separately to your request for funding approval of your program.

Sincerely,

Tim Klassen
